

## Prayer Drive Guide

### → **Courthouse / City Hall**

Drive to our city offices, courthouse, etc., and pray for our elected local leaders to make wise decisions for our community. Also pray for elected leaders at the state, national, and international level as well.

### → **First Responders**

Drive by our sheriff's office, police station, search and rescue, or fire department and pray for those first responders that put their life on the line to protect us and cannot stay home. Pray for all other essential workers that must work and are at risk of getting the virus.

### → **Food Banks**

Drive to the Assembly of God or Calvary Chapel and pray for their food banks which provide food and necessities to the hungry in our community. As more people lose their jobs, please pray this group does not grow in number.

### → **Local Businesses**

Drive to any local business(es) who are unable to operate at this time and pray that God will supply their needs, give owners and managers wisdom, and provide for their employees.

### → **Nursing Homes**

Drive to Discovery Care Center or Meadows Assisted Living and pray for our senior adults who live in nursing homes or care facilities. Pray that they stay healthy and that God comforts them as they are even more isolated and alone than normal. Also pray for the staff of these locations as they care for our seniors.

### → **Grocery Store**

Drive to Saveway and pray for the employees as they provide grocery services to our community. Pray that God protects them from the virus, sustains them during this busy time, and gives them patience as they deal with frustrated customers.

### → **Social Services**

Drive to the Mahoney House or Lemhi Valley Social Services and pray for those who minister to the at-risk members of our community. Pray that God gives them wisdom and strength. Pray for those who are at-risk and cut off from the services they need. Pray that God will protect them, draw them to Himself, and connect them to the help they need.

→ **Hospital**

Drive to the hospital and pray for doctors, nurses, and administrators. Pray that God gives them wisdom and stamina, prepares them to care for those who are ill, and protects them from the virus. Pray not only for our local hospitals but also those around the country and the world.

→ **Schools**

Drive to one of our local schools and pray for students and teachers who are trying to learn and teach in a whole new format over the internet and from a distance. Pray for parents as they help their children. Pray for lunchroom staff as they continue to prepare meals for children in need in our community.

→ **Salmon Valley Baptist Church**

Drive to SVBC and pray for our church. Pray for wisdom for Mike and Trey as they continue to lead our church in a whole new format. Pray for our office staff who are working from home. Pray for our members to seek God, serve others, and share their hope in Jesus. Pray for those who will hear the God's Word through our digital resources (YouTube, Facebook, radio, podcasts). *The building may be closed but the church is not; we are simply scattered to where we live, work, and play.*
